February 2, 2009

To our friends & family,

We have been back in S Africa for 3 weeks now and so much has happened! Floyd led a 1 week training session for everyone working in the townships to launch T4T which stands for training for trainers. The example we are going off of was first used in China, then on to S America, India and many other countries. This is training for new believers to teach them in how to share their faith with the lost, lead those who respond into what Jesus has done for them on the cross, His grace, baptizing them and more. Jesus said to go and make disciples of all nations, so we are raising up disciple makers.

The vision of All Nations is to see 1000 African leaders going into Africa in the next 10 years, one tool in helping this come to pass is the "Africa House" training center. This property has just been purchased through All Nations by various people giving financially; the property was used by a private school prior to sale. The cost of the property was about \$500,000 US dollars, and the balance is now \$170,000, amazing! We are still praying that this property will be debt free soon. Tiffany & I have been busy with many other missionaries cleaning up the property to get ready for CPx (6-month church planting school). You can see a few pictures of the property at this link <http://www.floydandsally.org/photos/> .

During the first 3 months of CPx which starts Feb 8th Tiffany & I will be leading about 10 out of the 45 students into Ocean View to make disciples in the community. We will also gather the missionaries we are working with to worship, pray together and to discuss the things they have been learning. We want them to experience what they are learning so that it is not just a lot of head knowledge, that's why I love James so much. In his letter he challenges us to the core...James 2:12-26 "Faith without good deeds is dead". Everything flows out of our love affair with Jesus, people will ask of the hope that lies with in us. Good works should flow naturally out of our life in Christ, we are in Him and He is in us, it shouldn't be with striving for He said He will build His church. So let us in 2009 be Jesus ambassadors, allow Him to make His appeal through you, we speak for Jesus when we tell people to come back to God. In doing this you will see great reward, souls entering into the kingdom; that is all we can take with us isn't it?

*In His service,
Keith, Tiffany, Luke
& Hannah*
